Good News from Brekky Club!!

The Victorian Labor Government has fulfilled the promise made prior to last year's election: as it announced in the budget on Tuesday that the Frankston Brekky Club will receive a grant of \$200,000 to continue its life-supporting work in the community. It will enable us to continue employing two part time workers to oversee and offer care through the Brekky Club. Thank you to those who supported our requests for support.

Colour printing/ Photocopying

Could anyone printing or photocopying, or requesting printing or photocopying, please consider carefully whether you need colour photocopies. Our contract allows for a certain number (8130) of colour copies per quarter within the agreed charge, and the charge for excess colour copies can mount up quite quickly. Fortunately, any excess black and white copies are much cheaper.

Keith Holmes,
Treasurer

Christmas in July

On Saturday July 22 we will be holding a Christmas in July lunch. Please start thinking about gathering in table groups to share a catered lunch and start thinking about how to decorate your table. There will be a prize for the best decorated table and some Christmas focussed entertainment. Reserve the date for this community event. More information and details for tickets will be available soon.

The Voice proposal arises from an invitation to the people of Australia from The Uluru Statement from the Heart. This is an opportunity to hear what gave rise to the referendum and consider the vital issues and questions raised by First Peoples.

The speaker will be Rev Dr Garry Deverell, Lecturer and Research Fellow in the School of Indigenous Studies, University of Divinity.
