COMMUNITY SUPPORT FRANKSTON

afi BRANDING

Since 2014, the **Voices of Frankston** choir has been “*bringing people together through friendship and song*”, and breaking down boundaries through concerts and community events.

Choirs are a way of encouraging some of our most vulnerable folk to come together for social inclusion with some fun and fellowship. Singing builds confidence and self-esteem for participants.

Voices of Frankston has over 40 choristers from all walks of life, who grow in confidence and self-esteem through friendship and by singing together.

The home of the **Voices of Frankston** choir is the **High Street Uniting Church**, where the choir rehearses every Wednesday morning during school term times. The choir is affiliated with the **School of Hard Knocks**, from whom we source our wonderful musical director and accompanist.

The **Voices of Frankston** choir is most appreciative for the continuing care and backing of the Community Support Frankston and Operation Larder, together with the High Street Uniting Church. The choir relies on donations to pay for the time of our musical support and the fees associated with musical rights, costing approximately \$5000 per term, so please support us by coming along to a concert or by donating to Voices of Frankston, c/- Operation Larder, at High Street Uniting Church. **Or come along and join in the singing!**
