

A voice is heard
All to the glory of God
Backroads
Can we still hope
Christ be our light
Come sing praises to the Lord above (Calypso carol)

Faith Hope and Love
Father bless us as we go
Fear not, for I am with you
For you deep stillness
Friends in High Places
God version 1.0
Hear our praises
Here I am, Lord
Like a candle
May the feet of God walk with you
My Redeemer lives
One in the Spirit
One more step along the world I go
Our God
Pass it on
Peace will be with you my friends
Praying

Stay with me, I'll stay with you

Walking down the road
We are marching
We will love
We're gonna move when the Spirit says move
When we go from here
When you walk from here
Wherever I go
You shall go out with joy
