

Planned Giving for High Street Uniting Church

Strengthening Community
by the Holy Spirit
Embracing All People
with Christ's Compassion
Connecting Younger Generations
in God's Love

High Street Uniting Church is well known in the Frankston Community for the way that our love for God translates into practical care and involvement in the local community.

That care and involvement includes Operation Larder, which provides food and basic supplies for the disadvantaged; the provision of an outreach chaplain to Monash University Peninsula Campus; a weekly lunch for the homeless and disadvantaged; support for Voices of Frankston and a range of community groups that meet in our facilities, as well as fundraising for projects in East Timor and India. Our ministry team includes focus on Pastoral Care and on ministry with Children, Families and Youth.

Please consider how you can support High Street Uniting Church in its outreach and ministry, and return this form to the office or bring it to church on **Sunday 23 June** at either the Traditional (9:00) or Contemporary (10:40) service.
