FOOD HANDLING AT HSUC

The kitchenette and the big kitchen are both now open. Specific regulations still apply to the service of food, including morning tea. There are signs up in the kitchen areas to make the rules clear. Food can be served, but there is no “self-service” allowed. Thank you for your patience and attention to these rules, which enable us to serve food and drinks safely.

SECOND HAND MARKET (working title)

This year's May Fete is being organised at short notice and with attention to COVID conditions, and so some things are not going to be quite the same as usual. One of the things that will be missing in May will be the Trash and Treasure sale in the back hall. Plans are beginning for a separate Second Hand Market, incorporating Trash and Treasure and also a Second-hand Clothing Swap. If you have been saving up some good quality treasures or clothing, or you're looking for some bargains, pencil in the date of Saturday 24 July.

Wednesday Evening Cell Group:

Our next meeting is on Wednesday 28th April (Study 6) at Kay and Murray's. Keith Holmes 97892575.

Dear friends,

Sunday is ANZAC Day. It is a day for recognising and remembering those from Australia and New Zealand who served and died in all wars, conflicts, and peacekeeping operations. It is a day for praying for peace, and for reflecting on the meaning of sacrifice. If you would like to see some video reflections by some of the Uniting Church's Defence Force Chaplains, please go to the worship resource webpage <https://uniting.church/anzac-day-2021/>

The Assembly President, Dr Deidre Palmer, offers this prayer:

Gracious God,

On this Anzac Day, we bring before you all those who have and continue to serve in our Defence Forces.

We remember and give thanks for their service to our country.

We pray for all those who suffer in war and continue to suffer from the trauma of war. We pray for comfort in their grief. We pray for supportive communities to journey with them in their struggles, healing and recovery.

We give thanks for all our Defence Force chaplains.

We thank you for their response to your call to offer spiritual leadership and pastoral care to Defence Force personnel and their families.

We pray for all those who are negotiating for peace in situations of war and conflict throughout our world. Bless them with wisdom, strength and resolve to find ways we can live together in harmony and respect for one another.

We pray that we might be bearers of your peace.

Through Christ, who is our Peace, we pray.

Amen.

CHURCH AUDIO -

We're looking for some more volunteers to help with sound - managing the microphone volumes and connecting the camera on Sunday mornings. If you're able to help please speak to David, Alan Jenkins, or anyone else who works on the desk at the back of the church.

SIGNING IN - QR CODES

The government have now made it mandatory for all check-ins to be done via the QR coding system ONLY.

This means that signing in manually is no longer acceptable. We understand this can be challenging for some people. We are working on ways to make the process easier and we ask you to ask for help if needed.
